Sample buffet for groups of 36 people and more

The choice is yours — our mix & match-style buffet

At 'Lemke am Schloss', you can build your own buffet. Whether sweet, savoury, vegan or with meat: there is something for everyone here. You can put together your own buffet from our selection of soups, starters, salads, main courses, side dishes and desserts. There is also a selection of breads and two different dips (e.g. butter and lard).

Your completely individual buffet will then consist of:

- **One soup**, that warms your heart
- **Three starters** for a perfect start
- **Two salads** as a fresh pick-me-up
- **Three main courses** — meat, fish, veggie, the choice is yours!
- **Four side dishes**, that go with your main courses like a glove
- **Two desserts** as a sweet finale, that makes happy
- We also offer an optional cheese platter with six pre-selected French cheeses, fig mustard and brown bread.

At this point, we will refrain from listing all the components individually...

But on the following two pages, we present two examples of possible buffets from our Mix & Match range!
